Welcome to Indy Junction 2022. **FOUR** full days of model railroading activities brought to you by **THREE** NMRA Regions and the Railroad Prototype Modelers Conference, including a **THREE** day train show, all in **ONE** amazing convention experience. Indy Junction 2022 is a collaborative model railroading event hosted by the Mid West (MWR), North Central (NCR) and Mid Central regions (MCR) of the NMRA (National Model Railroad Association) and the RPM Conference (Railroad Prototype Modelers).

You will have four registration types to choose from:

- **Individual** if you are registering self-only
- **Family** if you are bringing family members who wish to participate in convention activities (NOTE: Register ATTENDEE and make selections first; add each Family member and their selections separately. The system will add activities to the most recent person added/changed. After payment is made, you will have the ability to edit each person's selections.)
- **Saturday Only** if you are only attending convention activities on Saturday, May 21
